

Function: Director for our new bilingual (English / Hungarian) childcare centre in Budapest

Pensum: 80% - 100%

Start date: as soon as possible on an hourly basis; full-time as of early 2019 at the opening at the crèche.

Job description: When we're all old and grey and sitting in our rocking chairs, we want to be able to look back and be really proud of what we helped to create. We think the best way of achieving this is by living the values that are closest to our hearts.

- Be natural, in how we treat each other and how we speak to everyone - colleagues, children, parents, suppliers, etc. It also means being ourselves, and the best version of it.
- Be entrepreneurial; Little Green House is small and incredibly dynamic. We aren't afraid to do things differently or to come up with new ideas.
- Be responsible; We keep our promises, are mindful of our impact on our community and our environment, and always try to leave things a little bit better than we found them.

If you are full of energy and great ideas, if you are a born optimist with experience in early education and childcare, if you have already successfully led a team, which both you and your team have enjoyed, if you want to do something meaningful every day, then you should join us!
